Dial **911** for all Emergencies

Dear Neighbor,

Imagine it is 2 o'clock in the morning and you are awakened from a sound sleep. You hear your smoke detector and smell smoke. You are comforted knowing that when you dial 9-1-1, the Pennsylvania State Certified men and women of the Ringling Hill Fire Company will respond to your emergency. These professionally trained men and women are your neighbors and volunteer their time to protect your family and property. They have accepted this responsibility to make sure that they provide the best qualified people and adequate, updated equipment to assist you in your time of need. Unfortunately, they can't do it alone. With your past support and continued support they are able to provide you with the best possible service.

The Ringling Hill Fire Company is a 100%-volunteer organization protecting the residents and businesses of the Lower Pottsgrove Township and assisting surrounding townships and boroughs when needed. Ringling Hill Fire Company conducts an annual fund drive in addition to other fund raising activities. The funds raised are used to purchase needed emergency apparatus and equipment. At this time we are in the process of updating equipment on our Tower Ladder due to new guidelines for required equipment. Your tax deductible contribution will assist greatly to complete this project by the end of 2011.

In March we are starting our much anticipated annual Easter Candy Sale. Many of our members spend countless hours making peanut butter and coconut crème eggs. If you would like to purchase Easter candy, please stop by on a Monday or Thursday evening to purchase eggs. The candy is \$ 7.00/lb and is available until April 4th.

We the members of the Ringling Hill Fire Company would like to thank you for your continued support. Please feel free to stop by the Fire House and see your contributions at work or become a member. Our meetings are held on the first Monday of the month at 7:30 pm.

2011 Statistics
