

## We are reaching New Heights at the Hill because we can always count on you!

Dear Neighbor,

We are proud to say that with your continued support we have been able to provide fire protection services to Lower Pottsgrove Township since 1956. There has never been a more critical time to ensure that Ringing Hill Fire Company is properly equipped, staffed, and ready to help you and your loved ones.

The Ringing Hill Fire Company responds to approximately 400 calls for service from our community every year! We are a committed group of individuals dedicated to providing Lower Pottsgrove Township with the best volunteer fire service in the region.

Keeping this in mind, please know that our fire company is strictly volunteer. Our members sacrifice valuable time from our families, friends, and jobs to respond to emergencies. We love what we do, but we need your help to continue doing what we love.

As a non-profit organization, we rely on each and every dollar we receive from you to help defray the costs of life-saving equipment, fire house expenses and apparatus maintenance/replacement. We know that we are in difficult economic times. That's why every year, we need your help more than ever!

Your yearly donation will greatly assist us in providing the prompt and professional service you expect and deserve from your local volunteer fire company. Please take a moment to send in your **tax-deductible** contribution today. We're always there for you when you need us! Please be there for us when we need you!

With much appreciation,  
The dedicated men and women of the Ringing Hill Fire Company

*You can make your tax-deductible donation by scanning the QR code located to the right or by check!*
